

MVP™

Manhattan Value Partner

Manhattan Associates is a technology leader in supply chain and omnichannel commerce. Our Manhattan Active™ solutions allow enterprises to optimize large and complex operations, adapt to market and demand changes, and iterate and innovate with speed.

The goal of the Manhattan MVP™ program is to develop collaborative partnerships with leading supply chain & logistics, inventory, and omni-channel commerce providers. This collaboration allows our shared clients to leverage the products and expertise of complementary software providers, hardware providers, and third-party integrators/consultants.

A Tailored Program Targeted to Your Goals

The Manhattan MVP™ program is designed to optimize the partner relationship and create revenue opportunities for all participants through a tailored program of joint marketing, sales, and development efforts. A formal contract defines the relationship. As a Manhattan Value Partner, your company can:

- Benefit from co-branded strategic marketing
- Increase market leadership recognition
- Drive qualified opportunities to the pipeline faster and more effectively

By working collaboratively, we can offer a more complete solution to our respective customers—the power of our partnership will benefit you, your customers, and Manhattan.

The Manhattan MVP™ program is designed to optimize the partner relationship and create revenue opportunities for all participants through a tailored program of joint marketing, sales, and development efforts.

“ We view our partnership with Manhattan as our key strategic relationship in the supply chain technology space, and the MVP program is the foundation of that relationship. As an MVP, we are given access to the Manhattan executive, sales and marketing teams where we have established key relationships and we can take advantage of Manhattan solution training, which helps us offer our customers a more comprehensive supply chain solution creating a much better result for everyone in the end. ”

HIGHLIGHTS

Sales Meetings and Partner Day

Sales meetings not only train our sales professionals on the latest solution enhancements, but also provide a format for improving selling skills and learning more about industry trends. Partners gain insight by networking with and participating in sessions with Manhattan's field sales team at our annual Partner Day and sales kickoff.

Executive Sponsor

A Manhattan executive with a background complementary to your company and product can be available to guide you through your relationship with Manhattan Associates.

Training Classes

Sharpen your skills and Manhattan product knowledge by taking advantage of discounted training courses while networking with Manhattan sales and service professionals.

Marketing

Manhattan campaigns incorporate multiple communication tools, including direct mail and email, and are supported by the professional telemarketing efforts of our Market Development team. The result is a powerful, targeted marketing campaign that maximizes impact.

Logos on Corporate Websites

Your company name, logo and description, along with a link to your website, will be featured in the Partner section on Manhattan's corporate websites. We will provide the Manhattan logo and company description to be used on your website that will include a link to the Manhattan website.

“ Our strategic partnership with Manhattan Associates is critical to the delivery of significant business benefits for both our companies and our mutual clients. The challenge will be to help clients find competitive advantages and growth opportunities while continuing to maintain a focus on bottom line-benefits. Our collaborative efforts will be the cornerstone of meeting this challenge. ”
